This month's INSPIRING looks and HOT labels

Kate Moss has put in her Poltock & Walsh a/w order

LABEL TO LOVE

POLTOCK & WALSH took the underground route and didn't show on the catwalk this season, but such is the buzz surrounding the label's a/w collection that **KATE MOSS** ordered six pieces, including a sequined white shift (£920), a panelled leather design (£540) and a Mongolian wool dress (£1,150), all seen left. New this season is Poltock & Walsh footwear – the cropped cowboy boots are on our a/w wish list. Enq Browns, (020) 7514 0000.
