WINTER SUN

Beach style for now and summer 2009

Need a little sunshine to tide you over until spring? Thankfully, the stores are full of pieces that work perfectly in warmer climes – just make sure you choose items that will still pack a punch when it comes to the new season.

Essie nail polish in Secret Stash, £8.50

COLOUR

Vibrant shades – from cerulean blue to lipstick red – work brilliantly in the sunshine, and will fit in nicely with your summer wardrobe. Pair brights with neutral or white pieces for a wearable take on technicolour.
